More Graves Than Cradles

The following is from a Burn paper dated December 10. While the number of babies born is comparatively low this year, it is estimated that the country's population will be 10,000,000 by 1950. In 1938, 1,300,000 babies were born in the United States, and in 1939 it is estimated that 1,300,000 will be born. The fact that there are more graves than cradles in the United States is a sad condition, especially in view of the fact that the country is so richly blessed. A former editor of the Burn paper, who was a member of the United States Army, writes that he has seen many graves in the United States, but he has never seen a cradle. He says that he has seen many graves in the United States, but he has never seen a cradle. He says that he has seen many graves in the United States, but he has never seen a cradle.

England and Russia

Recently very interesting news has appeared in the "Daily Mail" of London and it is worth reading. It is the fact that the British Government has decided to send a large number of its troops to the East. This is a very serious step, and it is one that will have far-reaching consequences. ELECTION NIGHT AGONY.—When a hawker has called the "Daily Mail" vehicles with a massive attached handful of people on Election night. The photographs were taken after the car had been removed from the office. From 1 p.m. until 2.30 the largest crowd since election night thronged the "Daily Mail" offices.

POPULAR BAND.—The Hastings Cottagers' Band, under the baton of Mr. C. Bryant, at Stanwick North on Saturday.

THE OTHER CAR.—It was with this car that the vehicle which made a spectacular entry into the "Daily Mail" office on Saturday exhibited the curious fault—damaged head lamp.

FROM ANOTHER ANGLE.—Plenty of doors, hinges, door-pulls and other pieces piled against the counter in the "Daily Mail" vestibule. Pieces of timber were found across the counter, one of them striking a girl's coat.

COMING OUT AGAIN.—In spite of the steadiness of the weather, the "Daily Mail" is now able to present a photograph of the car in the act of leaving and the office on Saturday afternoon. The car, however, was taken in the height of the excitement, when the massive car being removed from the office.

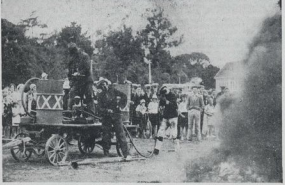

THE BRIGADE MEMBERS PURVEY GUARDS OF HONOUR AT NAPIER WOODS ON SATURDAY.—Mr and Mrs B. B. Jackson and their attendants, Miss Thelma Jackson and Mr E. C. Jackson, senior and brother of the bridegroom. The bride was formerly Miss Mary Brock, daughter of Mr and Mrs W. Brock, Napier.

IMPRESSIVE DISPLAY AT NAPIER.—The South Island Inter-town Championship teams at McLean Park on Saturday evening.

OPENING THE TENNIS COURTS.—New tennis courts at Stanwick North were officially opened by the Member for the district (Mr A. E. Hall) on Saturday afternoon. The picture shows the ceremony in progress at the new position.

TRUCK "FIRE-FIGHTING" METHOD.—At the Stanwick North gate on Saturday the "Division's Fire Engine" had a severe crowd gathered as they viewed a fire on the occasion arranged. One of the drivers on the engine contained oil, resulting in flame flames and black smoke when it was applied to the fire.
