## WAIPIKURAU CROWDED FOR SHOW

### Visitors From Far Afield

### JUDGES PRAISE STANDARD OF ALL ENTRIES

### Keep Interest In Competitions

One of the most memorable shows of the Wairoa Agricultural and Pastoral Association, held at the Waipukurau Racecourse yesterday, attracted a crowd which returned a full 1500 spectators.

The high standard of the excellent entries in all sections may be compared with a similar show in the past.

Continuing with last year, the weather was temperate and pleasant. Visitors from all parts of the province attended the show, which was exceptionally well supported.

One of the highlights of the day was the appearance of the Wapukauru Highland Pipe Band of 25 members. In the afternoon the band were heavily applauded from the hundreds of spectators who were present at their marching display on the parade.

Competition was keen in the several events, with the returned champion, in the Wairarapa class of 7 competitors took part in three heats, while in the class handicapped over 1000 lbs for a 1000 yds race.

In the home industries section 200 entries more than last year were reported for a total of 1000.

These events were well patronised and there were more entries than have been recorded the show in the past two years.

A class for Dorset Horn sheep, an innovation, attracted four classes of entries including 25.

"The show has been a success in every way," said Mr. J. H. Hastings, secretary of the association, "and it is to be hoped that it will be a success in every way in the future."

Mr. Hastings also said that the show was a success in every way, and that it was a success in every way.

During the afternoon the national singing competition was held, and the winners were announced. The winners were Mr. J. H. Hastings, Mr. J. H. Hastings, and Mr. J. H. Hastings.
