Barcelona Entered By Nationalists

MOORS IN OUTER SUBURBS

Intensive Preparations For Relief Work

RETREAT MAY BE CUT OFF

United Press Association—Copyright (Independent Cable Service). (Received January 26, 5 a.m.)

LONDON, Jan. 25.—The Yagras Moors, who yesterday captured Geta and Praxedabad airport, today claimed to have entered the hospital of Castellanos and two of Barcelona's outer suburbs near the coast. Subsequently, an important textile manufacturing town 15 miles north-west of Barcelona, is already under attack and the operations of the Nationalist advance is claimed to be only eight miles away.

General Franco of Nationalist has to cut the main east road to France from Geta, thus preventing retreat.

The British Consul Devonshire, lying off Calloteta to the east of Barcelona, ordered London in the early morning that the fall of Barcelona was imminent. It added that the British Embassy had been repeatedly raided and that he had so far refused.

General Franco is hoping that the Government will evacuate, leaving authority in the hands of a civilian committee, who may finally decide to give the city, thus avoiding terror and house-fighting.

A Royal Government delegation stated that 40,000 tons of German 45 anti-aircraft guns have been taken to the front and 10,000 tons of high explosive are being sent to the front. The message said that during the last week 8000 tons of German material were unloaded at Vigo and Barcelona.

NEW CABINET CONFLICT IN FRANCE

The Proposed Recognition Of Nationalist Spain

PROTECTION OF INTERESTS

United Press Association—Copyright (Received January 26, 1:30 p.m.)

The Paris correspondent of 'The Times' reports a new Cabinet conflict over the question of sending a French diplomatic representative to Burgos.

The French Minister (M. Benoit) is known to favour this on the ground that General Franco's victory seems probable and that it might be better to protect French interests under the new Spanish regime.

By an earlier London message the Australian Associated Press says that the cabinet has decided that the British should not recognize the Nationalist Government.

A BEAUTIFUL ENTRANCE.—Simplicity and dignity are the hallmarks of the architecture of the Hawke's Bay Museum and Art Gallery at Napier.

THE NAPIER BREAKWATER.—This watercolour, entitled "Harbour Works" is included in the post-lease of Mr. R. J. Waghorn, a selection of which is now being shown at the Napier Gallery.

"OVERMAN SHUN" AT THE NAPIER ART GALLERY.—Mr. R. J. Waghorn's watercolour, "Lake Rotomahana, February."

NAPIER IS WORRIED.—It is probable that Napier's annual winter race is a good deal higher than the records show. The official recorder is at least shaded by trees, and a plan is afoot to remove the instrument to a more prominent position on the Napier Parade.

CONTROLLING A LONDON FOOTBALL CROWD.—A portable megaphone was used for the first time in England at the Association match between Chelsea and Arsenal. The former won, 2-1.

"REVEREND ON THE RIDGE"—One of the watercolours by the Wadhorn artist, Mr. R. J. Waghorn, which are now at the Napier Art Gallery.

STEREPLACING IN ENGLAND.—Mr. A. J. G. Lennon-Gower's Dr. George II and Major V. C. Poulton's Ligand, which were first and second respectively in the Stanger Stakes at Newmarket on the Queen's January meeting. Both horses are trained by the General Stables.

THE DAILY MAIL. "The One Home Paper". THURSDAY, JANUARY 26, 1939. THE TURN OF THE WORK!

An demand in London is not wanting in the report that a Berlin newspaper has gravely warned France that any attempt to seize Minorca and Spanish Morocco will be treated as an irreparable act of aggression.

The Spanish War has not, however, been taken completely out of the minds of the people of this country.

Although there is still no great excitement in the minds of the people of this country, the fact remains that the war is still a very real thing.

It is said that most women will turn ultimately, and the fact remains that the war is still a very real thing.

FIGHTING SPIRIT ABSENT IN OLD BOYS' BATSMEN

Dannevirke Cricket Review: Good Bowling By Junior Players

"Daily Mail" Special Service.
DANNEVIRKE.
Lack of fighting spirit characterized Old Boys' batting to the play on the Dannevirke Downs on Saturday. Although the Bowling of Ericsson, Francis was slow, the batsmen could score runs if they refused to stop to show bowlers the opportunity of a five.

Persistent playing back to Harps with weak strokes was their chief fault.

Old Boys had been very demoralized in their previous matches as they have been able to do so.

If the younger members of the team would ball with the same confidence as they have shown in their previous matches, the side would accumulate many more runs.

Batley gave another a steady having been a victim last week. The bowlers did not show any spirit. He has again been hit hard by the batsmen.

Senior batsmen began their batting at Old Woodville, where Ericsson and Francis were not hit hard and were bowled in 20 and 30 respectively. At this point the batsmen will be able to score runs.

Erigan 24, Haggard 7 not out gave Dannevirke a good start.

Men Versus Women

In the representative game on Monday against Manawatu, First XV batsmen gave a display of skill in ball in securing five wickets in 30 runs. With the help of the bowling and fielding of the batsmen, the bowlers were able to score runs.

Junior Bowling

In the game between Dannevirke and the Manawatu side, the bowling was the main feature. The batsmen were able to score runs.

Blackburn's Fun

Blackburn's Fun was a success. The boys were able to score runs.

Many Fans

A very attractive fighting display was given by the batsmen in the match between Dannevirke and the Manawatu side.
