Crisis Produced By Labour Policy "CREDITS SQUANDERED"

"FINANCES IN CHAOS" RT. HON. J. G. COATES' CRITICISM

EMBRYO DICTATORS Country On Verge Of Inflation

Import Control Characterised As Desperate Expedient HON. A. HAMILTON'S VIEW

By Telegraph—Associated Press. Feb. 3. "To make it obvious to every man and woman in New Zealand that the Dominion Government is not going to simply a political manoeuvre aimed at discrediting the Labour Government, the National Government has issued a statement on the restriction recently imposed," said the Leader of the Opposition, Hon. Adam Hamilton, yesterday.

"The Government management of the financial resources of the country has been a failure in New Zealand. It is the failure of the Government to manage the country's finances which has led to the present position in New Zealand. The Government has failed to manage the country's finances in such a way as to ensure the stability of the pound sterling. The Government has failed to manage the country's finances in such a way as to ensure the stability of the pound sterling. The Government has failed to manage the country's finances in such a way as to ensure the stability of the pound sterling."

"There is no pleasure in issuing a prophesy of disaster. But it is my duty as Leader of the Opposition to state bluntly that the present financial crisis, coming as it does with remarkable swiftness after three years of the Government's policy, was foreseen by the National Party even when the Government took office in 1935.

"The Government has failed to manage the country's finances in such a way as to ensure the stability of the pound sterling. The Government has failed to manage the country's finances in such a way as to ensure the stability of the pound sterling. The Government has failed to manage the country's finances in such a way as to ensure the stability of the pound sterling."

Socialist Theories

The Government has failed to manage the country's finances in such a way as to ensure the stability of the pound sterling. ## Great Festivity At Wairoa

## A Comprehensive Retrospect

"Daily Mail" Special Service.

The past week cannot fail to go down in Wairoa history as one of the most enjoyable and of marked results. Never before have the town and district been drawn into the spirit of carnival with so much life and gusto.

Contrasting with the unfavourable weather extending from Monday to Thursday, yesterday dawned bright and clear for the Wairoa annual sports meeting, the proceeds of which are to be used for the benefit of the river and other carnival features.

The rowing programme was an affair for all time as the Wairoa Regatta Club and Wairoa Rowing Club presented the attractions of Wairoa at Wairoa. The rowing was a grand success.
