# HOW HASTINGS GETS ITS MEAT

## Council Inspects Plant VISIT TO TOMOANA WORKS YESTERDAY

### Killing For Export Trade

The story of the Hastings meat supply was revealed by the Mayor of Hastings (Mr. A. Maddison) and members of the Hastings Council, when they visited the works of Nelson's (N.Z.) Ltd., yesterday. The tour, which included a visit to the works, was undertaken primarily to show council members the actual conditions under which the town's meat supply is produced and to satisfy the public's curiosity.

Some years ago the council entered into a special arrangement with Nelson's (N.Z.) Ltd. for all town's slaughtering to be done at the works—the outcome of the town's health ordinance being conducted by the health authority.

The killing chamber in use now is about three years ago. It was the first of its type in New Zealand. The works are situated in the hills of Tomoana, a similar distance from the town as the works. ## HASTINGS CONVENT WIN MAYORS ADVISE

### Children Should Join Sports Bodies

The duty of parents to see that their children joined up with an inter-school sports team, was the message given by the Mayor of Hastings (Mr. A. Maddison) at the meeting of the Hastings Sports Council, last night. The Mayor advised that the health of the town's children is dependent on their taking part in inter-school sports.

He thanked the teachers for the excellent work they have done in the past. He also thanked the members of the Hastings Sports Council for their valuable assistance in the past.
