Use **PERSIL**—keeps colours brilliant and the wool as soft as new

How right the girl was!

### PERSIL DOES KEEP COLOURS BRILLIANT AND WOOLIES AS FLUFFY AS NEW

PERSIL WASHES woolens as they remain their shape and colour. It keeps the dye on the day you bought them. There are three reasons why PERSIL is so useful for laundry purposes:

- 1. With PERSIL, water used over the wash is so clean that you can use it again.
- 2. It has not only a pleasant, but a refreshing, perfume.
- 3. PERSIL cleans so quickly that you can wash the woolens in less than 10 minutes.

No wonder PERSIL keeps the dye on the woolens so long! PERSIL is so soft that it does not hurt the wool.

It's the loveliest thing... but—how can I wash it?
