AUTUMN SHOW SHOULD ATTRACT CROWDS

Judges Busy Yesterday

GREAT ACTIVITY DISPLAYED BY EXHIBITORS

Successful Competitors

All roads will lead to Tomoana Showgrounds today where the autumn show of the Hawke's Bay Agricultural Association is being staged. The weather promises the crowd attending the show should be of an unusual size.

The showgrounds yesterday were the scene of confusion and activity as the exhibitors of every make and size were driven to the appointed stands and other exhibits prepared on the hundred-acre preparations made for the day's anticipated crowd.

Judging in many of the sections was begun yesterday afternoon, and the bulk of the "big" work is completed. Last year's entries are excepted by 100, although from the fresh sections a decline. In the vegetable section there is an increase of 250.

The Wanganui Highland Pipe Band is to give a demonstration of the show at 3 p.m.

Detailed results of yesterday's judging are—
