NEW SEASON'S COLOURS AND STYLES AT THE RACES
Autumn Meeting Held In Hastings Yesterday

No cool autumn atmosphere encouraged the women racers to wear their most elegant of the first day of the Hawke's Bay Jockey Club's racing in Hastings yesterday.
Many women chose coats of light-weight wool over this frock, but those who possessed suits of fine wool to wear with their blouses were able to wear their favourite frock.
From these one could gain an idea of the delightful styles and accessories which will be chosen for the coming season.
Never before have they been more attractive.
The new season's coats are of a style perfect and every woman has a choice which will enable her to have whatever shade suits her best, and the black as leaders of fashion, followed colours are to be seen.

Mr. R. Douglas, followed by Mr. R. Williams, were the only two who were able to start the race.
Mr. R. Williams, who was the only one to start, was the only one to finish.
