CELTIC STILL RETAIN THE LEAD

Hastings Old Boys Down

UNUSUAL RESULT: NO SCORE IN NAPIER GAME

M.A.C. BEATEN AGAIN

Rugby football enthusiasts were treated to an exceptionally fast and open exhibition of the code at McLean Park, Napier, on Saturday afternoon, when Masterton Old Boys equaled their record with Hastings High School for the first time on No. 1 ground. Weather and field conditions were ideal and in a particularly hard-fought match the two teams equaled in a test of strength and tactical superiority, with Masterton emerging victorious by 15 points to 0.

A curious draw was recorded in the other senior grade game arranged at McLean Park, between Napier High School Old Boys and Technical College Old Boys. The match was hard throughout, but it lacked any highlights or features. This time the result for the first time that such a draw has been recorded in McLean Park history.

The Home Forces Were Hoaxing

GOOD BACK PLAY

A fast and well-worked attack was the key to Marist's victory over the home forces on Saturday afternoon. The try came in the first half, and the home forces were unable to answer Marist's attack.

M.O.B.'S HERO

Thomas the bull was the hero of the match as he scored three tries. His performance was exceptional and he was well supported by his teammates.

SILK SOX TOO SMART Concluding Day At Hawera WILDFLOWER AND HOMILY SUCCEED Brazil Takes The Hack Cup

HAWEA, May 18. — Except for getting in rather late, the post-race ball had a nice from in the Anderson Stables at Hawera. Lady Silk Sox did not make a mistake, giving a beautiful exhibition of jumping throughout.

Lady Stella landed over the last fence just ahead of him, but he had too much power for her on the flat and went round, though the Hastings mare took to her task gamely. It was Silk Sox that overtook her.

Lady Stella surprised, for she got in rather close to the second of the double and then changed her handle about the farfings from home. She showed decided stamina and it was to be the better of her than she otherwise would have been.

Lady Stella and Highball made the early running, the latter covering a bit of ground before to look over going out of the straight. Rodion and silk son were heads at this stage. The challenge from home the four were running in line, but Lady Stella and Silk Sox drew out again early in the race. Lady Stella passed a little better than Silk Sox, but her superior power got her into the lead.

Rodion was an impressive third after looking likely for a while going down the back the last time, and the only other to finish was Red Sun, who momentarily threatened danger when he ran up about a mile from home. His jumping, however, was again faulty.

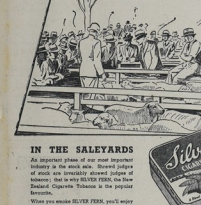

Jackey taking run off and was then pulled up, while Boddy was also pulled up. Highball fell at the penultimate fence looking likely when a place.

WILDFLOWER, who was galloping with the men, when, about the 100 yards of the straight. Once behind the lead, Wildflower went right over the top of the fence, and was a fine example of a steeplechaser. He was a fine example of a steeplechaser, but he was a fine example of a steeplechaser.
