FAT CATTLE SELL AT GOOD PRICES

Few Stores Offered
PRIME SHEEP STILL IN DEMAND

Stortford Lodge Yesterday

Fat cattle sold at rates which were on the average, an improvement on recent prices at the Stortford Lodge stock sale yesterday. There was a good bunch of heifers, and for the most part yearlings were prepared. Prices at the market for the competition buyers were prime cattle, and some very fair prices were realized. The short market probably held the sales in the district.

A small yarding of state cattle sold cheaply, although some of the lines were in quite good demand. The offering of dairy cattle was not of particularly good quality, and prices were consequently low.

Good quality lines were on offer in the fat sheep section, and most prime brought prices fairly equal to those ruling at recent sales. Prime fat lambs were especially in demand and other extra also sold well.

Quality was not so marked in the store sheep side, although several good lines were offered. Prices at the market showed no improvement, the poorer pen being held to sell. The best lines sold at average rates.

In some cases, lines were prepared in where vendors were not prepared to meet the market, preferring to wait for better conditions.

HASTINGS STAKES AGAIN CARDED

Urgent Note for Class Racing

WISE MOVE IS GENERALLY APPRECIATED

Indication of Angle Support

(By **MOUJRAU**)

The decision of the Hawkes Bay Jockey Club to reinstate the Hastings Stakes as the main event of the year in the Bay. Not before time has the move been made and the race is one which will add a touch of class to the spring racing in Hastings.

The move is commendable and opportune. Not for many years has the thoroughbred breeding industry flourished so much in the Hawkes Bay as it has in the past few years. The importation in recent years of a number of high-class sires and brood mares.

In the past few seasons Vindex, Belvedere, Thio and Cyrenus have been made available to breeders and the recent success of the stock of Belvedere and loans demanded for the first crop of Vindex have been more of re-establishing the Bay in the horse world. Most of the leading sires Long Han, and others will also be available.

Support for this change from the big breeders in the province is assured in view of the fact that they must agree with the patronage that it would entail. The H.B.J.C. will have the support of the Hawkes Bay Jockey Club, the H.B.G. Club, and the Omond Gold Cup in 1940 is an endorsement to the racing in Hastings Bay back to the place of vintage.

PROBATIONERS in 100 and ran with the usual success. The H.B.J.C. will have the support of the Hawkes Bay Jockey Club, the H.B.G. Club, and the Omond Gold Cup in 1940 is an endorsement to the racing in Hastings Bay back to the place of vintage.
