BOLDSTEP WINS AT GISBORNE

Lucky Day For E. Loisel
BIG DOOK IMPROVES WITH A RACE
Peter Beckford: Rapa Waitata

(By Mutual)
Bolderstep, the last of that wonderful man Warriner, was on the first time of adding over a mile when he took the Wainuiomata Handicap from Guy Binks and there was a lot of merit in the performance, and when that mare there in the level Gay Sprint put in her last race...

Grand City being on with best Buster Brown for fourth, but the Whangarei winner was not at home in the hard going and should be better under better conditions.

Buster Brown ran quite a good show but it is evident that his best form is shown over slightly shorter distances.

M. E. LOISEL's lucky day was certainly not his last. He was awarded a lot of knowledge with his own hand, and he was a very good horse. He was a very good horse. He was a very good horse.

PETER BECKFORD narrowly won the Rapa Waitata Handicap from Guy Binks and there was a lot of merit in the performance.
