CHARADE CONFOUNDED THE CRITICS No Lacking of Stamina JOHN CHARLES WAS NOT SEASONED

Sure To Do Better Later On (By MOTORA)

The Government's first race at Green was a great pair of winners in Charade and John Charles and the former is going up fast in the weights, more should be heard of her before the season is over.

Charade was never in danger of defeat in the Great Northern Handicap and the same may easily happen again when she is laid over two miles.

Charade confounded the critics on two points. Many asserted that she would not last, others agreed that she would not carry weight. However, she proved herself the outstanding performer of the meeting, and she did the job at Tremont or at Racine, she still has to be beaten over the battery.

Green would have recorded the greatest triumph of his training career if John Charles had led the Great Northern Steeplechase. His prospects after the easy win achieved by the first runner in the opening day were very good and his charge made a gallant attempt. He jumped perfectly throughout and made a great effort to win over the last three furlongs, when his condition gave out.

That such should happen to John Charles was not surprising. He had not raced for six months prior to his success at Ansonia, where Surry, Power, "Smiling" Tiger, and Tiger, who had been here at Elmira, were all out-paced.

John Charles will be a stone better horse at Tremont and Racine, and as he is at his best when the going is easy, he should be in the class of winners over the battery at the Wellington or Grand Northern Steeplechase this year.

POWER CHIEF, the baby of the brood, has been a disappointment this year. He has been in the class of winners at Elmira, but he was a stone better at Racine.

WYKONA's season to the winning of the Grand Northern Steeplechase was the most gallant feature of the meeting. It was a great effort to win over the last three furlongs, when his condition gave out.

WYKONA is a good safe jumper. He has been in the class of winners at Elmira, but he was a stone better at Racine.
