FORD Beauty Tourer ... \$12/10

This miniature rifle shooting at Hailmuna started on the afternoon of the 26th and was chiefly controlled by the club members who were very keen to show for the day's amateur club and the weekly trophy. Mrs. Hester, who was the only woman to win the trophy, was the only woman to win the trophy.

For some time the affairs of the club have been under the control of the boys, who are an impressive force. The club has been very successful in its efforts to improve the standard of its members, and it is hoped that the boys will continue to do so.

Recent statements on the subject of warrants of fitness and insurance claims have been of interest to local motorists, who point out that the position is not as simple as it seems. It is necessary to be careful of the details of the law, and it is suggested that motorists should consult a legal expert if they are in any doubt.

Members of the Hawke's Bay Automobile Club were warmly welcomed at the Rissington evening. The social was a success, and the residents of Rissington were very warm in their reception of the club members.

Members of the Hawke's Bay Automobile Club were warmly welcomed at the Rissington evening. The social was a success, and the residents of Rissington were very warm in their reception of the club members.
