NEW JAPANESE WARNING TO QUIT PORTS REJECTED

BRITAIN REFUSES TO OBEY JAPAN'S ORDERS TO LEAVE TWO PORTS

FOOCHOW AND WENCHOW DEFIANTLY OCCUPIED BY NAVAL LANDING PARTIES

AN ONCEY LESSON FOR EUROPEAN POWERS.—These two units, which happened a few minutes after the British Regatta and the American President set in their front, they do more for the peace of the world than any kind of diplomatic conference.

UNITED STATES CO-OPERATES IN HOLDING INVADERS RESPONSIBLE

United Press Association.—Copyright (Received June 28, 2 a.m.)

LONDON, June 27.—The Exchange Agency has reported this morning that the Japanese naval authorities at Shanghai have announced that operations are also commencing to-day against Wenchow. Both towns are treaty ports.

They warned former shipping to quit both ports.

The British Consul-General has rejected the Japanese demand the withdrawal of foreign shipping and endorsement of the law, regarding ships of nationality of Fochow and Wenchow, which the Japanese have occupied.

The United States has destroyed Japanese planes H.M.S. Dufoin at Yenchow.

AID FOR BRITAIN SEEN IN AMERICAN OVERSEAS LOAN

Modernising Portugal's Railways Would Help Empire In Two Directions

United Press Association.—Copyright (Received June 27, 11.35 a.m.)

WASHINGTON, June 27.—It is revealed on the eve of the Neutrality Bill debate that the Government-authorized Export-Import Bank had approved a \$5,000,000 dollar credit to assist Portugal to purchase American material to modernize her railways.

The New York Herald-Tribune interprets this as "another example of the parallel action of Britain and the United States." It says that the modernization of Portugal's railways will not be in a better position to defend herself and assist Britain, and perhaps the possible transportation of British troops overland and the use of Portuguese ports by the British Fleet in the event of war.

Members of the House weighing the prospects of the proposed Export-Import Bank had approved a \$5,000,000 dollar credit to assist Portugal to purchase American material to modernize her railways.

TAKE STOCK FOR NEXT YEAR Two-Year-Old Prospects INTEREST IN STOCK OF NEW SIREs Tiderace Filly Looks Ray

(By MOTOROLA)

In little more than a month the curtain will fall on the racing season of 1939-40. The flat racing world has been hypnotized by many the favorites, though Tiderace and Two-year-olds were prominent under the spotlight of fame during the season, some of the finest racing was provided by the Two-year-olds.

Last year's two-year-olds were not many runners from being among the best produced for years. Indeed, High Castle, Danvers, Aves, Gayle, Tanager, and the ill-fated Submission, Winning Fly, Angelone, Nos Ganger, and Tiderace added zest to the two-year-old racing that resulted in greatly increased interest in the youngsters.

What of the coming year? Well, the racing form has not a flash in the pan, or is a sign of the revival of good class racing as a result of the fact that there has been a general addition of such early high-class sires as Bullfincher and Beau Peep? We believe to believe an improvement in the status of the yearlings that are expected to appear that breeding with selected sires to attain after the depression years had left their mark on the bloodstock breeding industry.

For the new season the Baldanovans and Beau Peep will be expected to be the sires of a number of the yearlings. Phobos, Phobos Bay, Solider General, Vermont, and Fendish, whose yearlings have collected much interest, comment this season. Indeed, the coming year is likely to have only the turning point in racing. The 1939-40 season is likely to see another record-making and two-year-old racing of the boom years seriously rivaled.

This filly, whose third dam was a daughter of the great sire, Tiderace, is a creditable runner, and she is expected to be a good mare. Her sire is a creditable runner, and she is expected to be a good mare. Her sire is a creditable runner, and she is expected to be a good mare.
