THREE THOUSAND AT CEREMONY

Minister Drives Railcar Aotea In To The Station

AN IMPRESSIVE SPECTACLE

Gaily bedecked with flags and decorations and besieged by several thousand people representative of all parts of Hawke's Bay and East Coast districts, Wairao presented a truly festive scene on Saturday when the Napier-Wairao railway line was officially opened.

The Wairao railway station was the centre of considerable celebration and jubilation when, with a simple but deeply impressive ceremony attended by a crowd estimated to number between 3000 and 4000, the Minister of Public Works (the Hon. R. Seddon) officially handed over to the Minister of Railways (the Hon. D. G. Sullivan) the completed section of the line.

Following addresses of welcome by the Mayor of Wairao (Mr. E. L. Butler), the Chairman of the Wairao County Council (Mr. A. J. Carroll), the Member for Hawke's Bay (Mr. E. L. Collier), the Member for Otago (Mr. D. W. Colman), the Member for East Coast (Mr. A. E. Mason), and speeches by the two Ministers, Mr. Seddon drove the railcar Aotea through a ribbon stretching across the track.

Mr. Seddon completed his remarks to those employees of the Public Works Department who had lost their lives while working on the Napier-Wairao railroad construction, and in the evening the Ministers were the guests of Wairao and district.

Confidence in District

Approval of the progress of the construction of the Wairao railway line was expressed by the Hon. D. G. Sullivan, Minister for Railways, at the opening ceremony. He stated that the project was being carried out with confidence and that the completion of the line would be a great benefit to the district.

Greeting by the Band

On arrival at the Wairao station, the Minister of Railways was greeted by the Wairao School Band. The Minister then proceeded to the station where he was met by a large crowd of people. He then drove the railcar Aotea through the ribbon.

Gisborne's Congratulations

It had played some part in the jubilation at the opening ceremony. The Gisborne branch of the railway line was also opened on Saturday.

The Hon. A. E. Mason, Minister of Transport, expressed his congratulations to the people of Gisborne on the opening of their railway line.

High Quality Transport

The new railway line is of a high standard of construction and will provide a reliable mode of transport for the people of the district.

Dreams Now Realised

A Record Year

There is no doubt that the Government has had a record year in the construction of the railway line.

Strengthening Railway Link
