CURIE SUPREME IN THE WINTER HURDLES

Ned Cattle And Majority GREAT TARANKI CUP STAGED

Hunting Royal Again Succeeds

(Special from MOTUROA) WELLINGTON, July 8. The veteran Animo getting Curie on the greatest race of his life won the winter hurdles. He jumped perfectly throughout the race taking about half a mile from the starting in the steady trudge, and then simply left the field standing in the run home to win by 15 lengths. The two best hunters he had ridden in the meeting, Curie came up in wonderful order for his engagement and never was a more decisive Winner Hurdles victor.

It was generally thought that the horse who had won only once at the meeting would be in brief form for the big event at Trentham today, but Edward, who fell the first day, was now the highest eventer in a gruelling finish on Thursday, again most generously and was a good second from a pole in Dunblain. The latter was ridden in a very poorly judged race. He was giving the leaders about a furlong start a mile from home and he was pushed into second place three furlongs out.

King Roy was tracked as if the race was all over, carrying about a third of the way in the straight. He again went to the front and was backing smoothly in a clear lead when he took the fourth hurdle in a really easy and turned a complete somersault rolling right off his jockey. If Turner, who was not dressed, had advanced, his execution error was no doubt due to the soft state of the going.

KNOWLES, who was the three-hurdle winner, was the only one to get through on the second hurdle. He was ridden by J. H. G. Jones, who was the only one to get through on the second hurdle. He was ridden by J. H. G. Jones, who was the only one to get through on the second hurdle.
