MY MESSAGE!

YOUR CONFIDENCE in the BRITISH ARMY, NAVY and AIR FORCE is due to the INDIVIDUAL TRAINED EFFICIENCY. Similarly the INBUILT EFFICIENCY of your CAR must be MAINTAINED by the SKILL of the TRAINED CRAFTSMEN to WHOM you ENTRUST its CARE. UTMOST EFFICIENCY during restrictions means DEERS, NOT WORIS. CONTINUOUS MOTOR EXPERIENCE from the days of TUBE IGNITION to the SUPER FRONT WHEEL DRIVE of TO-DAY, means that DEPENDABILITY and EFFICIENCY MUST be YOURS by ENTRUSTING your CAR or TRUCK to my PERSONAL SUPERVISION and SKILLED CRAFTSMEN.

Special To "Ford" Users

Although we have held the "Ford" agency for only a few months, we have enjoyed a good measure of your business and thank you. We regret the unfortunate interruption of normal business, but to you, as a Ford owner, we say that it will be in your own best interests to let us have your car or truck now for that overdue repair or attention it requires.

In our garages at Napier and Hastings we have the very latest Ford Equipment for diagnosis and remedying trouble and we have full stocks of GENUINE FORD PARTS but how long these will be available is difficult to forecast, consequently we recommend you have your requirements attended to whilst stocks are still available.
