National Daffodil Society

(By R. C. POOLE)

Of all branches of horticulture probably the most popular is the raising and hybridizing of daffodils. It is a hobby which is becoming more and more popular here every year. Many of our best gardeners are now growing daffodils in their gardens. The National Daffodil Society, which was formed in 1928, is a society of daffodil growers and exhibitors. The object of the Society is to promote the raising and hybridizing of daffodils, and to encourage the growing of them in gardens. The Society is now holding its annual show at the Assembly Hall, Hastings, on the 14th and 15th inst. It is a very interesting and profitable show, and one which is well worth a visit to. The show will be held from 2 p.m. to 9 p.m. each day. Admission is 1/-. Children 6d.

VISIT HARVEY'S SHOW

HASTINGS has been fortunate in being allotted the NATIONAL FLOWER SHOW.

HASTINGS is fortunate in having a show of HARDWARE, CUTLERY, SILVERWARE, BRASSWARE, CRYSTAL and CROCKERY — unexcelled in New Zealand.

HARVEY'S have "SHOW" premises of architectural design and a variety of goods that have established a name beyond NZ.

HARVEY'S take pleasure in supporting local efforts that assist in developing Hastings — Reciprocation is always appreciated.
