In the distant stretches of the Bushland, miles from the nearest source of communication with civilization, a graphic road-life drama was staged on Sunday. A "Dolly" motor which was en route from Napier to Blenheim was stopped by a heavy snowfall...

In the following story a full description is given of the events which transpired during the week-end, and the perplexities which were encountered during the journey were described.

Veteran Never Better Than Now

Grand National Viceroy to emphasize what a really great season Lord Quex has had in the Stud; to show his capacity to do anything he sets his mind to.

Lord Quex is getting on well in the hands of his new trainer, Mr. J. A. Rennie, and the list of winning horses has been extended to six.

The winner of the Melbourne Cup in 1938 and holder of the Grand National Viceroy trophy, Lord Quex is undoubtedly the best horse ever bred by the Flaxmeyer and Bloodstock firms.

For many years now he has been in the first four or five in every race he has run in.

In fact, it would not be exaggerating to say that Lord Quex is the most valuable sire used in Hawke's Bay for many years. Not only was he a great winner of races at his own level, but his daughters are an unbroken success at the Stud.

Lord Quex is getting on well in the hands of his new trainer, Mr. J. A. Rennie, and the list of winning horses has been extended to six.

LORD QUEX is by the late Lord Quex, sire of the 1934 Grand National Viceroy, and was bred by Mr. J. A. Rennie, who was the trainer of the 1934 Grand National Viceroy.
