HAWKE'S BAY SPRING MEETING OPENS TO-DAY

Great Fields At Hastings
CENTREPOISE AND LADY FURST TO CLASH
Indore In Form For Hastings Stakes Contest

(By MOUTOURA)
The stage is set for one of the most important spring meetings conducted by the Hawke's Bay Jockey Club in recent years, and the meeting, which opens at Hastings to-day and concludes on Saturday, will attract large numbers of spectators from the province.

There is a great improvement in the standard of horses engaged and the Hastings Jockeys add a touch of class to the meeting. There is much interest in the clash between the New Zealand Cup favourite Lady Furst and Centrepoise in the Hastings Stakes Handicap, and the local spectators will be treated in the Commodore Jockeys Handicap by the Fordell championship Division.

The Hastings track is in a wonderful order, there being a splendid side of grass, which is well up to the minute to provide a good day's sport for the spectators. Stage pool level will be in operation and the following is a resume of form for to-day:-
