MAORI RIFLE BATTALION - ENTHUSIASTIC RESPONSE

Proposal Discussed by Leaders Of The Race: Meeting At Onamau Pa

The proposal formation of a Maori rifle battalion has been enthusiastically received in Hawke's Bay.

The idea was first mooted in or beyond New Zealand as a combatant force, in the first instance recruiting to be raised from the Maori race.

The Maori race has been growing in numbers and its members are now in a mood for recruiting to begin on October 3.

Such an organization offers have been approved, to co-operate with army staff officers. Members of the staff who wish to offer their services will be invited to complete a registration form, obtainable at army offices, post offices, and from any of the following agencies.

The decision to form a battalion was made by the Minister of Defence, Mr. J. Z. Jones after a meeting of the War Council.

It is expected that the process of these enlistments and selection will be completed in the next few weeks.

ARGUMENTS FOR REPEAL OF THE ARMS EMBARGO

Mr Cordell Hull Claims That Neutrality Is At Present In Danger

A clear statement on United States foreign policy and the provisions of the Neutrality Act was recently given by Mr. Cordell Hull.

It should be the policy of the country at all times to avoid entanglement in foreign wars.

Mr. Hull said American would have arms with that would be used to end, since the embargo was not intended to be a permanent one.

There is an existing anxiety about the operation of the existing neutrality laws.

It is the opinion of the United States Government that the maintenance of peace will be best secured by the maintenance of a strict neutrality.

**Kathbeta Awarded Sprint**  
**AFTER DEAD-HEAT WITH**  
**RUSSIAN BALLET**

**Successful Spring Meeting**  
 (By MOTOURA).

Hunting Cat demonstrated his liking for the Hastings course when he won the Russell Memorial handicap on Saturday, when the Hawke's Bay Racing Club's spring meeting was concluded. Last year the veteran won the big race on the opening day and he had shown good form on the first day of this spring meeting by running third to Centroparty and Lulu Jui.

Gay Nimic, who was placed third on the opening day when Hunting Cat's rider failed to weigh in, was made a hot favourite for the Russell Memorial, but failed to start in the can horse and Hunting Cat won him decisively over the last furlong.

The Final Handicap resulted in a dead-heat between Kathbeta and Russian Ballet, but Kathbeta was declared the winner, as the result of indifference that took place at the horses of the straight, from place was reached by Kathbeta, and Russian Ballet was placed second. Through this unfortunate occurrence W. J. Dowling's second favourite for one month, a penalty which will prevent him from riding at the Wellington spring meeting or on the opening day of the New Zealand Cup meeting.

When the race was finally over, the rain held off for a large attendance at the meeting, three being the highest in the series. The weather was very good and the racing was very interesting. The total attendance for the day was 11,500. The total prize money for the day was £1,150. The total prize money for the day was £1,150. The total prize money for the day was £1,150.
