AHA! PERSIL WHITENESS

Gently does it! That's Persil, when there's obstinate dirt and stains to be removed. But Persil's gentleness gives nothing away in its thoroughness, nothing away to its thoroughness. Every speck of grime more thoroughly than the best of ordinary soaps can be possibly do. Things are bound to be whiter after a Persil wash—because they're cleaner.

HEAVY TRAFFIC FEES FOR FARMER'S TRUCKS

Patangata Councillors Hold That The Burden Is Not Fair

"Only Men" Social Service WAIPUKURAU.

Some views on the payment of heavy traffic fees by farmers' trucks were heard at yesterday's meeting of the Patangata County Council, when a resolution on the subject was received from the New Zealand Counties Association.

Mr. C. B. Edmondson said that the position seemed unfair. A farmer might use his truck for heavy carting on only a few days in the year, but he was expected to pay the same heavy traffic fees as a contractor who was using his trucks every day.

"Most of the countries are winking at any offences which come under their noses," remarked the chairman (Mr. C. Pattison).

Mr. A. McLellan thought there should be a substantial reduction in the payment of heavy traffic fees for farmers' trucks, but he did not think they should be exempt altogether.

The discussion was allowed to lapse.

Farmers' Contributions

The council agreed to give its support within the power to the Central Harbour Harbour Service Committee, which will administer the contributions of farmers obtained on railway rates.

Mr. C. P. McLellan asked if the action of the Farmers Union in setting up a branch committee of Otago would be a step, and Mr. Edmondson stated that it was. It was proposed that a small committee should function in each district, under the supervision of the Central Harbour Service.

Patangata Councillor Mr. A. McLellan, head of the standing division of the Department of Health, recently paid a visit of inspection to the Waipukurau Hospital, which is the largest hospital in the Hawke's Bay region.
