THE TARADALE OAK.—This tree, which dominates Taradale Park and which is the property of the Town Board, has been the subject of some controversy in Taradale. Sporting enthusiasts are urging that the tree should be cut down to make room for the construction of a new quarter-mile racing track. Town Board, however, hope that other arrangements may be made to provide the sporting facilities required so that this magnificent tree may be preserved.

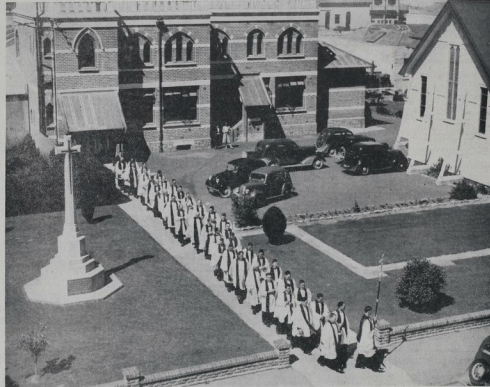

TULIP TIME IN VARIOR.—Gardens on the Marine Parade are at present abloom with spring flowers. Flower in the spring is truly one of the most beautiful sights in the Division.

A BRIGHTER BELANCE FOR UNION-CASTLE.—Employees in Varior are engaged in fitting up a new set of powerful lamps on the Union-Castle wharf.

TARADALE SPRING CLEANING.—Council workers are engaged in spring grass and generally tidying the roads and footpaths on the Taradale Road. The work is proceeding efficiently with the aid of modern machinery.

CONCERT PROGRAMME AT TIROUOA

School Funds Benefit

"Daily Mail" Special Service.

A long, varied concert programme was presented when the Junior School was last night thrown open to the public in aid of the Junior School funds.

Following the concert, Mr. Ed. Webb, chairman of the school committee, thanked the Junior School for their generosity and the teachers for their efforts in the arrangement of the concert, and also the various pupils of the school for their splendid singing.

The remainder of the evening was spent in dancing and was brought to a close with the singing of the National Anthem.

The concert was the committee's first for some time.

GOVERNMENT PLAN FOR PRIMARY PRODUCTION

Regional Organisations To Work In Co-operation With The National Departments

The vital matter of primary production during the present time of war has now been received by provincial secretaries from the headquarters of the New Zealand Farmers' Union.

The secretary of the Hawke's Bay branch (Mr K. H. Bayless) informed a "Daily Mail" reporter yesterday that the Union considered the sheep and cattle for exportation.

has been suggested to us," Mr. Lyllias said. "that these organisations should be representative of all interested bodies of persons in the district, and should consist of able men who can, if necessary, spare a certain amount of time for this work and who will be prepared to do so. They should be required to co-operate with the De-
