Soviet Violation of Agreement

CHARGE MADE BY FINLAND

Molotov Reveals Details Of Negotiations

HIS TERRITORIAL DEMANDS

United Press Association-Copyright
(Received November 1, 9:30 p.m.)
LONDON, Nov. 1.
The Molotov correspondence of the United Press states that M. Molotov's speech has revealed a violation in Finland, as it is held to have violated the agreement that neither side should reveal the contents of the pact negotiated.

A communication issued by the Finnish Government states "The Soviet Union, in the non-aggression treaty concluded with Finland in 1932, undertakes to respect the frontiers fixed by the peace treaty between Finland and Russia and to settle all differences peacefully. Finland relies on the Soviet to respect this agreement, the validity of which was extended to 1944 by agreement between the two countries in 1934."

In his speech in the Soviet Supreme Council, M. Molotov stated that the Russian demands in Finland are as follows:
(1) A renunciation of the border demarcation line.
(2) The use of an arm zone near the border.
(3) The cession of certain islands in the Gulf of Finland to the territory of Soviet Karelia.

TANK TRAPS ON THE BELGIAN FRONTIER Steel Gates Make Attackers An Easy Prey For Artillery

The Brussels correspondent of the "New York Times" says that, anticipating a lightning attack on Belgium, the Belgians have constructed an ingenious modern "Citadel Wall" along the main defence line.
"Have had some sections at Namur and Liege comprising concrete steel gates, six feet thick and mounted on rollers, like those used on turret cars," says the correspondent. "They are anchored by cables extending to the rear. "Unable to surmount the obstacle, the tank becomes stranded, offering an easy target."

The Berlin correspondent of the British newspaper "Express" says that the German army is not likely to be beaten in the West. "The German army is not likely to be beaten in the West," says the correspondent. "The German army is not likely to be beaten in the West," says the correspondent.

HATED LACKING IN THIS WAR

Position Of Inferior Allies In Britain

Lord de la Warr, who is speaking in the House of Lords, said that 900 out of 2,000 ships had been sunk, compared with 100 in the last year. "We are fortunate that there is at present an emergency loan," he added.

SPECIALISTS IN SAFETY THE RAILWAY STAFFS
In the Railway Regulations the one on whom most inspectors place their emphasis are the safety of passengers.
The principle of "Safety First" is impressed on every employee at the beginning of his service and his attention is kept constantly on that safe rule.
Machinists and equipment are carefully tested in the workshops.
The permanent way and the rolling stock are expertly inspected continuously.
The locomotive drivers, guards, signallers and other members of the staff co-operate for efficiency.
THE RAILWAYS ARE THE SAFE WAYS

"SECRET TO THE RESCUE"

OF RECREATION PATROL—Army recreation patrol recently dispersed for this week around a striking picture in flight. These machines are versatile, and are capable of both low and high speed work.

NOT A FIRM STORY—The audience might look as though to be very excited about the one that got away, but there were few aircraft who got away from the Shortland Lodge and yesterday without a heavy hand. Bidding in recent auctions was keen—in this instance the winning bid time to pass reflectively before getting down the stairs of the platform.

DISMISSED PROP—An October 25th, Captain James Cook first set foot on New Zealand and in Poverty Bay. The spot is marked by a monument, which is just visible in the background of this picture. Below, there is the ornate propeller of the ship which was the property of the Māori people. The heavy works on the left, and the screw propeller, which has been discarded, is at the right.

"WHERE'S THAT BEST DRAFT?"—A shopping holiday is over in Whangarei when the Shortland Lodge yesterday is getting to the start page.

ENTER THREE CHINESE—An extraordinary balancing feat performed by members of the Great China Circus at Hastings on Thursday night. Their apparatus diverged for the sake of gravity and equilibrium still for the eyes of spectators, politicians, and others.

CENTRAL STREETS—Banners at the Shortland Lodge were yesterday had to keep in the back of their minds the special conditions caused by the war, when appearing abroad. It is reported that there may be some changes in market demands and related to a result.

**Three Hundred Hours To Build**

"Daily Star" Special Service

**WAIPAWA.**

Mr. James Waldron, son of Mr and Mrs E. Waldron, Waipawa, has received first prize of £20 in the Centennial Plane Competition. The model, which was made from all parts of the Dominion, was transported to the office of the Model Aeroplane Club, who acted as the official judges and awarded the prize to Mr. Waldron.

The model, which is built to scale and has a four-foot wing spread, is made from the finest materials and is a masterpiece of engineering. It is a credit to the skill and industry of the young man who built it.

The plane has been displayed to the satisfaction of the judges and is now on its way to the exhibition at the University of Canterbury.

**Waipawa Carnival Progressing**

**SPEED BOAT REGATTA**

**Maori Section Creating Interest**

"Daily Star" Special Service

Good progress was being made in all respects of the Waipawa Carnival. It was reported at a meeting of the organizing committee held at the Waipawa Hotel on Wednesday night that the carnival was well advanced and that the Maori section was creating much interest.

The regatta committee has been busy with the original plan for a speed boat regatta on the Waipawa River. It is expected that the regatta will be held on Saturday next.

The Maori section is also well advanced. It is expected that the Maori section will be held on Saturday next.

**Club Rehearsals.**—The amateur club rehearsals are being held at the Waipawa Hotel. The rehearsals are being held at the Waipawa Hotel. The rehearsals are being held at the Waipawa Hotel.

**Maori Section.**—The Maori section is well advanced. It is expected that the Maori section will be held on Saturday next.

**Regatta.**—The regatta is well advanced. It is expected that the regatta will be held on Saturday next.

**PASTURES IN GOOD SHAPE**

**WELL SPREAD RAIN AT WAIRAO**

**MONTHLY FIGURES**

**Total Well Below Average**

"Daily Star" Special Service.

Although comparatively little rain has fallen on Waipawa since the beginning of the month, the pastures are in good shape. This is due to the fact that the rain which fell during the month was well spread over the area.

The monthly figures for the pastures are as follows: Total Well Below Average.

**Deer at Strathfield.**—The first lot of deer was prepared by the Waipawa Pasture Society and was sold at the Waipawa Hotel on Wednesday night. The deer were sold at the Waipawa Hotel.

**Maori Section.**—The Maori section is well advanced. It is expected that the Maori section will be held on Saturday next.

**Regatta.**—The regatta is well advanced. It is expected that the regatta will be held on Saturday next.

PAST RECORDS AGAINST BEAULVRE Derby Colt's Disadvantage CLASSIC PREPARATION DULLS BRILLIANCE Stewards' Handicap Very Open

(By MOTUOEA.)

Beaulvre, a recent favorite with ante-post bettors for the Stewards' Handicap at Havelock on Saturday, has a long job in front of him. If he wins he will have every right to be regarded as the most brilliant Derby colt ever produced at Havelock—and that is saying a lot.

If it had been the Stewards' Handicap is a race that eludes three-year-olds, for Charming, Stripling, Royal Arctic, Maribou Gun, Gold Crest, Golden Fleece, Puroser, Vladimir, Iron Horse and Starburst (dead heat), Edinburgh, and Paper Ship all won of that age. However, the present victory carried by four of these three-year-olds was Markies Gun's. He was a pure sprinter, whereas Beaulvre shows like a Derby colt and has been trained to run a half.

This training course must have the effect of robbing Beaulvre of his brilliancy, and he will have a ground race to carry than the brilliant Hobbies galloper had 36 years ago.

There, in the 30 years the Stewards' Handicap has been conducted, only one colt has been bred from good enough to go on to success in the New Zealand Derby. Those great winners carried 7 1/2 and 8 1/2 respectively in the big sprint on the opening day of the Cup meeting.

Furthermore, it cannot be denied that the field carried by this year's Stewards' Handicap is a good one indeed, and that only a really good Derby colt could have been a match for it.

It is possible that the field carried on Saturday will be a better one than that of the Derby on Saturday, but it is possible that the field carried on Saturday will be a better one than that of the Derby on Saturday.

It is possible that the field carried on Saturday will be a better one than that of the Derby on Saturday, but it is possible that the field carried on Saturday will be a better one than that of the Derby on Saturday.
