A SPLIT IN THE RANKS AT WASHINGTON

Neutrality Law Soon Leads To Difficulties

CARGO SHIPPERS' CLAIMS

United Press Association-Copyright. (Received November 8, 9.45 a.m.)

As the result of a telephone call from President Roosevelt, the Maritime Commission has further decided to transfer United States Line freight ships to the Panama register and operate them by non-American crews...

The first infraction of a split within the Administration ranks was sharply cordoned off yesterday by President Roosevelt and the Secretary of State (Mr. Cordell Hull).

The request for the transfer of the ships followed closely on the report of the neutrality legislation.

The President declared that all ships which are not under the flag of a friendly nation should be transferred to the Panama register...

Later, when questions regarding the transfer of the ships to the Panama register were raised, President Roosevelt declined to answer the question that he had in mind...

Mr. Hull said he was getting extensive reports from the shipping industry regarding the transfer of the ships to the Panama register...

An Exceedingly High Standard Of Entries At Taradale

One again success crowned the efforts of the Taradale Women's Institute, when the 119th annual flower show was held on Thursday, Friday, and Saturday, with large numbers as in previous years, but of an exceedingly high standard.

Most praise must be extended to the secretary, Mrs. T. Johnson, who with a great deal of assistance was able to secure no rain during the past few months to ensure the success of the show.

Winning entries in various classes were:
Best Garden - Mrs. J. H. Bennett
Best Flower - Mrs. J. H. Bennett

"DAILY MAIL" PICTURES OF YESTERDAY'S CEREMONIES

DEMOLISHING PROGRESS—Demolishing the Exhibition in the 110 feet Centennial tower which, when illuminated, was to serve for marker at night.

BRELLANT PARADE—The dignity and impressiveness of the opening ceremony of the Centennial Exhibition was greatly enhanced by the presence of the decorated forces. The march was represented by the 1st Battalion, Wellington Regiment, which was inspected by His Excellency during the afternoon.

"I NOW DECLARE THIS EXHIBITION OPEN"—His Excellency the Governor-General (Viscount Gidley) who officially opened the Centennial Exhibition at Wellington yesterday. He is here addressing the vast crowd which assembled for the historic occasion.

THE NAVAL GUARD—The Naval guard of honour at the Centennial opening ceremony was composed of a detachment from the Royal Naval Volunteer Reserve. His Excellency Lord Gidley is seen inspecting the ranks with Captain W. T. Lane. The band at the rear of the Naval guard was provided by the Royal New Zealand Air Force.

CENTENNIAL AVENUE—A view from the Tower looking towards the main entrance of the Wellington Exhibition. The first arrivals yesterday morning took over the grounds while awaiting the official opening ceremony.

PART OF THE VAST CROWD—In spite of the efforts of the Exhibition authorities to make provision for the public to witness the official opening, it became evident quite early on the day that it would be impossible for all those attending to be accommodated in the Court of Passengers open to the public. A large number of people attended on the first day.
