Telecom Hawke's Bay

- No. 4 Brett Hunt Centre/F 6'8"
Up from Palmerston North, Brett was approached last year but unavailable. Not flashy, but more than adequately gets the job done.
- No. 5 Guy Sayers Centre 6' 8"
Back from a year of with injury and transferring from Palmerston North. A player with true big man skills.
- No. 6 Robert Aird Guard 6'1"
Summer in the Bay has done a lot for the players but none more than Robert. Looking the best this year since '83.
- No. 7 Jarrard Gallagher Guard/F 6'3"
Straight out of Church College, Jarrard's play has improved in the last 12 months 300%. A really tough handful on 'D'.
- No. 9 Albert Ellis Guard/F 6'2"
Church College stand-out from a couple of years back. Has ball skills and bulk to play either guard or forward.
- No. 10 Clyde Harris Forward 6'6"
This guy keeps on learning so fast that another year and his strength and tenacity will hurt other teams.
- No. 11 Marshall Forman Guard 6'0"
Only a young guy but a big future. Another good shooter with a great vertical leap.
- No. 12 Dave Smith Forward 6'7½"
Possibly one of NZ's best big men. Dave has worked out in the summer and is looking better than ever.
- No. 13 Eric Clarke Centre/F 6'8"
6'8" and one of the strongest and best defensive players in NZ. Look what happens with additional Kiwi size.
- No. 14 Willie Burton Forward 6'7"
Leading rebounder and a top all-round player in CBL last year, and he's been busy over the summer.
- No. 15 Jack Maere Guard 6'0"
The old cliché "Like a good wine, get's better with age" doesn't seem to do justice to Jack. Still the best.
